

Foreign Minister's visit to Gaza military units (Text) The Foreign Minister, Joaquim Chissano, who is also the acting Governor of Gaza Province, has been on a three-day working tour to Manjacaze district. During his stay there, Minister Chissano held contacts with some military units existing there and presided over mass meetings. The end of his visit to Manjacaze was marked by a public rally at Machulane where for about three hours he talked with the people on questions connected with agricultural production and the struggle against armed gangsters.
