

**Mozambique: churchmen leave for talks with MNR leaders** The Archbishop of Maputo, Cardinal Alexandre Maria dos Santos, left for Nairobi on 28th August for "contacts with armed bandit ringleaders", Radio Mozambique (Maputo) reported. Dos Santos was accompanied by Presbyterian Pastor Osias Mucache. On the 29th, the radio reported that the Bishop of Beira, Jaime Goncalves, had left for Nairobi that day to join the other churchmen. Neither report gave an indication as to when talks with the MNR would begin.
