

no.312: Road tender in Mozambique Noticias (Mozambique) Febr.23,1972

50 companies and consortiums have applied to be considered for the tender which is to be opened soon for over 1000 kms of road to be built and paved in the centre and north-east of Mozambique. In addition to the various Portuguese firms, applications were received from American, British, French, German, Italian and South African companies or groups. From the original fifty applicants, 24 foreign and Portuguese companies or consortiums have been invited to bid for the tender.
