

Arming of Mozambique people continues (Text) More than 100 workers and members of the party and government of Chimoio district received weapons on 25th September, the day of the revolution and the FPLM, to fight armed gangsters. The weapons were distributed by the district commander of the Mozambique armed forces in Chimoio during a mass rally to mark that historic date. (Maputo in Portuguese 1400 gmt 29 Sep 82)
