

# MNR bandits kill four

25.9.85

**MAPUTO.** — MNR bandits dragged four people from their beds and murdered them on Sunday night, eye-witnesses said here.

The incident took place at Matola, about 12 km from the Mozambican capital. Three of those killed were adults and one a three-year-old child.

AIM reported the bandits also attacked three Matola factories but were beaten off by militiamen.
