

MNR massacre toll reaches 71

MAPUTO. — The death toll from the massacre carried out by the MNR bandits at Maluana, 50 km north of Maputo, has risen to 71, the armed forces general staff said.

02 DEC 1987
The death toll was revised upwards from 63 when eight more bodies were found in the vicinity of Saturday's ambush against a civilian convoy on the main north-south road. — Ziana.
