14 DEC 1987

MAPUTO. — Armed bandits from the MNR are trigger-happy assassins who have no ideology. Their only aim is to rob and destroy everything in their way, Irish singer Bob Geldof said here. Geldof, sponsor of campaigns for collecting funds for the hungry in Africa, arrived in Mozambique on December 9. He has visited refugee camps and enterprises destroyed by MNR bandits in the central province of Sofala. — Ziana-Tass.
