[Text] In Zambezia Province in December 1987, units of the Mozambique Armed Forces recaptured the Namarroi district headquarters. This was reported at the 10th session of the party's provincial committee, which ended in Quelimane yesterday. Also, the session heard that from December to March 1988, FPLM forces stationed in Zambezia launched a number of operations, improving the security situation in the Zambezi Valley and the coastal region. Traffic on the main provincial roads has been assured.
