OCTOBER 1988

~~caigkaiqj~~ - the mozambican armed forces (fblm) killed two bandits of the south african backed mnr on sunday at inchope in the central province of manica, reports radio mozambique today.

the bandits were part of a group that launched an abortive attack on the small town of inchope, which lies on the beira ~~corridor~~ linking zimbabwe to the port of beira.

the radio also reported that last week three more bandits surrendered to the authorities at the town of cuamba in the northern province of niassa, in order to benefit from the amnesty for bandits who turn themselves in.

the three have been given food and clothing, and are now integrated into productive activity, said the radio.
