

**MAPUTO. — MNR bandits kidnapped at least eight people in a pre-dawn raid on Tuesday morning against the outlying Maputo suburb of George Dimitrov, according to a report in yesterday's issue of the Maputo daily Noticias. Eyewitnesses said the MNR group went first to the local market where they abducted two people, and stole a sack of flour. They then attacked a nearby shop where a woman and her 17-year-old daughter were abducted. — Ziana-Aim.**
