A song to Samora Machel X

NOW that one of Africa's greatest sons and a champion of freedom is no more, is there a better way of immortalising his ideals than singing him an eulogy.

I call upon all musicians of Zimbahwe to make a concerted effort and compose and produce a good eulogy to the late Comrade President Machel.

Proceeds from the sale of the proposed record should help the Mozambicans in their fight against

the evil forces of imperialism and apartheid.

Come on, musicians of Zimbabwe, unite and sing your feelings about the death of our loving friend and liberator.
