East German training assistance (Text) In Maputo today, Mozambique and the GDR signed a protocol of co-operation providing for the training of Mozambican cadres in the GDR. This follows talks held in Maputo between the Coordinating Commission for Consumer Co-operatives and its GDR counterpart. Under the terms of the accord, the GDR is making 18 scholarships available for consumer co-operative managerial cadres for the 1989-90 period. Some 50 Mozambicans are currently in the GDR undergoing courses on the administration of consumer co-operative and related techniques. It will be recalled that 250 Mozambicans have been trained in the GDR within the framework of existing relations between the two countries. (*Maputo home service in Portuguese 1730 gmt 11 Jun 88*)
