[Text] Dr Siegfried Wittenbeck, GDR deputy justice minister, arrived in Maputo today on a working and friendly visit at the invitation of Mozambique's justice authorities.

Dr Siegfried Wittenbeck said on his arrival that this visit is within the framework of (?ties) between the two peoples and states.

It should be noted that Mozambique and the GDR signed a cooperation accord on justice shortly after national independence in 1975.

The GDR jurist was welcomed at Maputo International Airport by Mozambican Justice Minister Ossumane Ali Dauto.
